

# Godly Grandparenting

## A Christian Guide for Today's Families

Today's grandparents are younger, more active and significantly involved in the lives of their grandchildren. Currently no manual exists to help Christian grandparents effectively navigate their changing roles—that is, until now.

*Godly Grandparenting* is a comprehensive, spiritual and practical resource for today's changing families. Gone are the days of sitting on the porch swing visiting with children and grandchildren. Roles have changed, responsibilities have shifted, and new territories for grandparents have emerged. This vital resource explores the many issues facing grandparents today, including:

- Legal issues: "What happens if ..."
- Grandparenting while still supporting your own children
- Grandparenting in a divorce situation
- Parenting your grandchildren

The most complete and up-to-date book for today's Christian grandparents!
