

FINANCIAL FREEDOM, GOD'S WAY!!

Smart Money Management: A Biblical Approach to Financial Stability, by Pastor John Ramsey, Sr.,

unveils the concerns of financial literacy that have plagued our communities. He addresses challenging issues and uses scriptural references and parables that coincide with our daily living. Beginning with the parable of the unjust steward and ending the book with the Gospel of Matthew on stewardship, Ramsey offers a Biblical solution for Christian stewardship in the 21st century. He interjects both ministry and professional advice, which gives the book a good balance.
